

# Wedding Suppliers suggestions for

## The Wedding Shed @ Kookaburra Hideaway

Please note that this list consists of suppliers who have either supplied us at The Wedding Shed @ Kookaburra Hideaway, or who have been recommended. Our list is growing all the time.

### All suppliers must provide the following:-

- Proof of Public Liability Insurance for their business
- Caterers, or anyone handling food, must provide Food Handlers Certificate or equivalent, issued by Food Safety Australia
- Bar staff must provide current RSA photo card
- We reserve the right to request other professional certification if required.

The Wedding Shed at Kookaburra Hideaway has its own Public Liability insurance; however, this does not cover outside contractors.

### Catering

(Please note, although a lot of Wedding sites and blogs suggest you book in a “tasting” with your caterer, that is usually only applicable to large establishments with a commercial kitchen and a constant working restaurant/function facility).

Our suggested caterers are mobile caterers who attend our property as self-sufficient remote caterers and as such they are not able to offer tastings. We, or other discerning people have worked with them or experienced their catering have recommended them.

If you are booking a caterer that is NOT on this list, please let us know so that we can assess their suitability (and reputation) so as to ensure you have a great experience. Also note the requirement our requirements above.

We ALWAYS recommend you use a local caterer unless you have a theme that is not covered by local business.

Preferred Suppliers List.
